

CHARTER OF THE AUDIT COMMITTEE OF GDI INTEGRATED FACILITY SERVICES

1. PURPOSE

Financial reporting and disclosure by GDI Integrated Facility Services Inc. (the "Corporation") represents a major aspect of the management of the Corporation's global business and affairs. The purpose of the Board of Directors' oversight of the Corporation's financial reporting and disclosure is to gain reasonable assurance that the following objectives are being met:

- (a) that the Corporation, its subsidiaries and controlled entities comply with all applicable laws, regulations, rules, policies and other requirements of governments, regulatory agencies and stock exchanges relating to financial reporting and disclosure;
- (b) that the accounting policies and practices, significant judgments and disclosures which underlie or are incorporated in the Corporation's consolidated financial statements are the most appropriate in the prevailing circumstances;
- (c) that the Corporation's quarterly and annual consolidated financial statements present fairly the Corporation's financial position and performance in accordance with International Financial Reporting Standards ("IFRS");
- (d) that there is an effective system of internal controls; and
- (e) that financial information in public disclosure documents had been reviewed and that appropriate information concerning the financial position and performance of the Corporation is disseminated to the public in a timely manner.

To assist the Board of Directors in its monitoring of the Corporation's consolidated financial reporting and disclosure, the Board of Directors has established a committee of the Board of Directors known as the Audit Committee for the purpose of overseeing the accounting and financial reporting processes and audits of the consolidated financial statements of the Corporation.

Although the Audit Committee has the powers and responsibilities set forth in the Charter, the role of the Audit Committee is oversight. The members of the Audit Committee are not full-time employees of the Corporation and may or may not be accountants or auditors by profession and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Audit Committee to conduct audits or to determine that the Corporation's consolidated financial statements and disclosures are complete and accurate, and in accordance with IFRS and applicable rules and regulations. These are the responsibilities of management, the External Auditors and other specialist retained by the Corporation.

2. COMPOSITION AND QUALIFICATION

The Audit Committee is appointed annually by the Board of Directors and consists of a minimum of three Directors from among the Directors of the Corporation. Every Audit Committee member must be independent, as defined in National Instrument 52-110 ("NI 52-110") and subject to the independence exemptions provided for therein.

The members of the Audit Committee are appointed at the first meeting after the annual meeting of the shareholders, or at any other meeting if a vacancy arises. The Board of Directors appoints one of the members of the Audit Committee each year as its Chair.

Subject to the exemptions provided for in NI 52-110, all members of the Audit Committee should be "financially literate" and, as such, able to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's consolidated financial statements.

In contributing to the Audit Committee's discharging of its duties under this mandate, each member of the Audit Committee shall be entitled to rely in good faith upon:

- (a) Consolidated financial statement of the Corporation represented to him or her by an officer of the Corporation or in a written report of the External Auditors to present fairly the consolidated financial position of the Corporation in accordance with IFRS; and
- (b) any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

In contributing to the Audit Committee's discharging of its duties under this mandate, each member of the Audit Committee shall be obliged only to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Nothing in this mandate is intended, or may be construed, to impose on any member of the Audit Committee a standard of care of diligence that is in any way more onerous or extensive than the standard to which all Board of Directors members are subject. The essence of the Audit Committee's duties is monitoring and reviewing to gain reasonable assurance (but not to ensure) that the fundamental accounting and reporting activities are being conducted effectively, that the financial reporting and disclosure objectives are being met and that a proper system of internal controls is in place, as to report accordingly to the Board of Directors.

3. OPERATING PRINCIPLES AND GUIDELINES

 - (i) at all Audit Committee meetings a majority of the members shall constitute a quorum; and
 - (ii) the acts of the Audit Committee at a duly constituted meeting require no more than the vote of a majority of the members present and that, in any circumstances, a resolution or other instrument in writing signed by all members of the Audit Committee shall avail as the act of the Audit Committee.

The Chief Financial Officer ("CFO") of the Corporation and the External Auditors attend all Audit Committee meetings. The President and Chief Executive Officer ("CEO") will also attend all Audit Committee meetings, except, as applicable, for any in-camera session where his presence is deemed not required by the Audit Committee, in its discretion.
